

APPROVE THE IMPLEMENTATION OF A
MULTI-TRACK YEAR-ROUND SCHEDULE FOR JOHN H. HAMLINE SCHOOL

THE OFFICER RECOMMENDS:

THE CHIEF EXECUTIVE

Approve the implementation of a 60-20 multi-track year-round schedule for the John H. Hamline School located at 4747 S. Bishop Street. The school will convert to a multi-track calendar beginning July 1, 2001.

Hamline School located at 4747 S. Bishop Street. The school will convert to a multi-track calendar beginning July 1, 2001.

DESCRIPTION: The multi-track year-round program is designed to relieve overcrowding and to provide enriched educational opportunities for students. Under the multi-track year-round program, students will be divided into two separate tracks. A regular track will be in session from August to June, and a second track will be in session from January to December. This organization is intended to provide a 60-20 multi-track year-round schedule for the school. The school will be in session for approximately 60 days and will be off school for approximately 20 days for a minimum of 180 days of total attendance per year.

The 60-20 multi-track year-round schedule is designed to provide a 60-day school year and a 20-day off-school year for a minimum of 180 days of total attendance per year. The school will be in session for approximately 60 days and will be off school for approximately 20 days for a minimum of 180 days of total attendance per year.

This schedule is designed to provide a 60-day school year and a 20-day off-school year for a minimum of 180 days of total attendance per year. The school will be in session for approximately 60 days and will be off school for approximately 20 days for a minimum of 180 days of total attendance per year.
