The Contractor will continue to be responsible for providing eye examinations, offering information and education, dispensing prescription glasses (if required) and making referrals to community eye care providers for follow-up care (if required) for all students referred to the Contractor by the Board of Education of the City of Chicago

The Board shall notify Contractor of authorized student referrals through periodic transmission of referral and consent forms. Contractor will schedule and perform optometric eye examinations at selected office school sites. Eye examinations will be provided only to students who fail school based vision screening and are referred to the program by a CPS vision and hearing technician. All participating
