ENTERING INTO A PARTICIPATION AGREEMENT WITH CHICAGO ACADEMY FOR

APPROVE-EN

OWING DECISION:

THE CHIEF EXECUTIVE OFFICER REPORTS THE FOL

Approve entering into a participation agreement with the Chicago Academy for Urban School Leadership Program (the Academy) to provide a Leadership Program (P) in providing this type of program in schools currently being negotiated. The authority granted on a competitive basis because of its extensive experience in providing this type of program in schools currently being negotiated. A participation agreement for this Program is hereby automatically provided to the Academy for execution with

Teacher Training Program: Training for teacher interns using skilled and experienced master teachers, with special emphasis on training teachers to serve at-risk pupils in the Chicago Public

School

Improvement Plan: Annually develop and implement a School Improvement Plan

School

Annually develop and implement an expenditure plan with respect to funds

Expenditure Plan

allocated and distributed to the Academy Contract School. Each expenditure plan shall be designed to support implementation of the School Improvement Plan.

Programs shall be designed by methods and contents of the school curriculum within this

Academy Contract School standards and objectives and within the School Improvement Plan.

Improvement Plan.

Principal evaluation form. Principal Evaluation: Annually evaluate the principal using the Board's standard

evaluation form.

BOARD'S CONTRIBUTION:

Capital Resources: Financial, physical and administrative resources which the Board provides to Chicago public schools generally.

Building: The school building located at the former Wright College South ("School

Building) shall have a shell, roof, walls and floors in good condition and shall be maintained in a safe and sound condition in accordance with applicable building codes.
