

**USE OF THE POOL:** The User Groups shall solicit sealed bids for each project from the Contractors and

Contractors shall be requested to furnish a lump sum quotation in response to an invitation to bid for the defined scope of work. The Chief Purchasing Officer shall then issue a notice of award to the lowest, a definite, responsive, responsible bidder. All such awards shall be ratified by the Board at the Board meeting responsive to their approval following their approval.

**GENERAL CONDITIONS REGARDING PRE-QUALIFIED VENDOR PROGRAM**

Qualified vendors shall be required to enter into the Board's standard master agreement, which master agreement shall specifically identify the services to be provided by each vendor and shall include other basic contractual terms and conditions as deemed appropriate by the General Counsel.

The Chief Purchasing Officer shall develop, within six (6) months of the start of the program, a qualitative evaluation process which will rate each vendor's performance under the program and allow for a vendor's compensation limit to be increased or decreased, as the case may be, or provide grounds for revoking a vendor's pre-qualification status.
