ORIGINAL AGREEMENT: The original Charter School Agreement (authorized by Board Report 03-0225-EX05) is for a term commencing on 10/02 and ending on 09/30. The agreement authorizes the operation of a single facility Charter School located at 1119 E. 46th Street with current enrollment of approximately 300 students in grades K through 8 and 36 students in Pre-K. The Agreement also requires that the school prepare an accountability plan for the school's performance. The school has submitted a proposal on December 16, 2002 to continue the operation of the school under the same enrollment permit and to request an increase in the maximum student enrollment to 450 students. The Charter School proposes to remain in its existing location.
