	DELIVERADI ES.
	DFI IVERABLES: Through Rapid Identity implementation, the solution will: (1) facilitate near-instantaneous digital account
	creation, modification and deletion in all connected systems (The current lead time for digital account

	changes is 48-72 hours due to the age and timing of existing provisioning systems); (2) provide a Single
	Sign-On interface for both staff and students to seamlessly log in to any connected application; (3)
