

AUTHORIZE TUITION PAYMENTS FOR MATHEMATICS UNIVERSITY COURSEWORK

THE CHIEF EXECUTIVE OFFICER REPORTS THE FOLLOWING DECISION:

Authorize tuition payments to DePaul University, University of Chicago, and University of Illinois at Chicago for mathematics coursework at a cost not to exceed \$700,000 across all participating universities. The three

mathematics and science programs in the Chicago Public Schools. No written agreement is required for

Credentials. Participants are selected through a competitive process and commit to the year-long sequence of courses. In order to earn Algebra Credentials, teachers must successfully complete the coursework and pass the Teacher Qualifying Exam offered in January and/or March of the following year.

OUTCOMES: The Algebra Initiative is an essential strategy in preparing students for success in college and career as it puts them on the pathway to enroll in advanced mathematics coursework before graduating high school. Increased access to High School Algebra in the Middle Grades will ensure more

students to achieve early college and career credentials in alignment with district priorities. In order for

Contingent Liability. The agreement shall contain the clause that any expenditure beyond the current

fiscal year is deemed a contingent liability, subject to appropriation in the subsequent fiscal year budget(s).
