

Calendar Details

This schedule proposes that the Chicago Board of Education establish a 2015-2016 School Year Calendar for Elementary, Middle and High Schools on a 208-day schedule, with the following components:

208-

Key Differences from Last Year's Calendar

This version of proposed calendar is different from the 2014-2015 School Year Calendar in the following ways:

August 26, 2015 start date for school clerks,

August 31, 2015 start date for teachers and Paraprofessionals and

Considerations

Provide consistency with last year's calendar

Ensure the first day of class for students is the first Tuesday after Labor Day

Distribute the number of days evenly across each quarter

Ensure Spring Break occurs in April to accommodate end of year testing
